

**Quality audits on environment and energy regularly undertaken by the Institution.**

**The institutional environment and energy initiatives are confirmed through the following**

- 1. Green audit / Environment audit**
- 2. Energy audit**
- 3. Clean and green campus initiatives**
- 4. Beyond the campus environmental promotion and Sustainability activities**

**The Main Objectives Green Audit:**

- Review current processes
- Review potential water and air contamination
- Examine waste production data
- Determine ways to prevent contamination
- Enhance the alertness for environmental guidelines and duties
- Purpose Green Audit: The purpose of the audit is to ensure that the practices followed in the campus are in accordance with the Green Policy adopted by the institution.
- The Institution has formed the team of faculty and student as members of Environmental Committee which work to maintain biodiversity on the campus and also participate in preventing pollution in and around the campus.
- Institution is maintaining the disposal of solid wastes, e-wastes and hazardous wastes through Navalgund Town Municipal council for recycling .
- Institution has conducted Environmental Awareness programmes and workshop for faculty and

students, and involved the students in maintaining the cleanliness of the campus.

- All teaching and non-teaching staff members, students are advised to use recyclable materials for storing their food, water etc., to reduce the wastes.

- Students are getting exposure to maintain the People's Biodiversity Register through training, Workshop etc., every year.
- College has developed a proper way of harvesting rain water and reuse waste water. The college has active units like NCC, NSS, Scouts and Guides unit as well as students union who are on their toes to carry out green measures within the college as well as outside the college campus.
- Green audit reports permit institutions to recognize cost-effective waste management method.
- The main aim of the green audit is to make sure the best environmental sustainability Techniques.

**Green audit for Institution –**

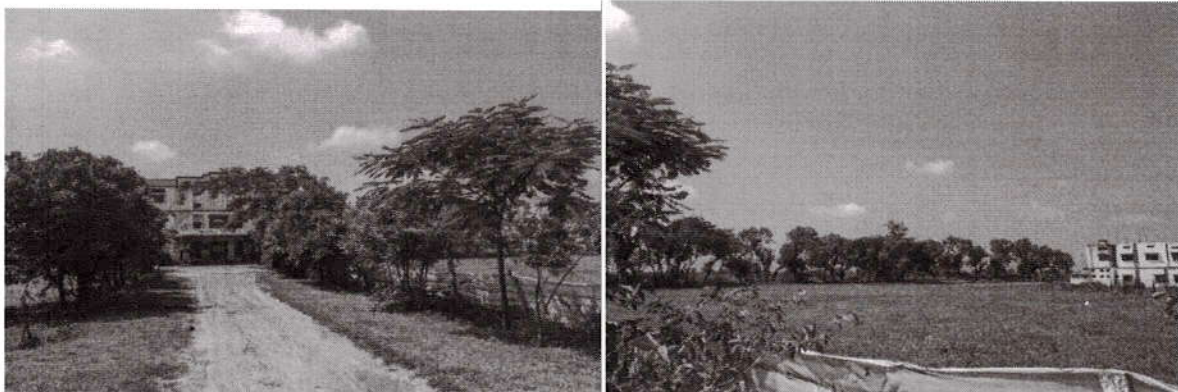

- Institution Responsibility is indicating the focused commitment to the improvement of the environmental science and advancement of sustainability.
- It enables college to examine and adopt the best measures for their campuses. The audit helps with self-evaluation and decision-making.
- Institution conducts the Awareness Programme for students; it raises awareness to promote sustainability among students and staff members.

**Gymnast** – Gymnasium is provided inside the campus facility to encourage physical activity among the students

**Hostel facility** - Our Institutions provide hostel facilities for girls and the hostel building is located Within the college campus: The hostel has a total numbers of 40 well furnished rooms.
